

## DOVER STATION

social | shopping | events

Dover Station is a revitalized historic destination located in the Arts & Entertainment District of Easton, Maryland, along the historic Rails-to-Trails corridor, where shopping, dining, creativity, and community come together. Home to **The Market at Dover Station**, visitors can discover more than 100 locally owned small businesses featuring artists, makers, boutiques, apparel, antiques, home décor, specialty foods, a florist, bespoke furniture, an artisan chocolatier, and one-of-a-kind gifts. Dover Station is also home to **The Gallery at Dover Station**, a rotating gallery showcasing local and regional artists, and **The Loft at Dover Station**, a beautifully restored venue for weddings, celebrations, corporate events, and community gatherings. Future additions—including **The Café at Dover Station** and **Fin City Brewing** with its beer garden—will further establish Dover Station as Easton's premier destination to shop, gather, celebrate, and experience the region's vibrant arts and culture.
